

PARENT CODE OF CONDUCT

Children's sports are supposed to be fun – for the children. Unfortunately, many parents, fans, and coaches do not realize that their actions, whether verbal or nonverbal can have a lasting emotional effect on children. Too many children are leaving sports activities because the fun is unfairly taken away by adults. _____ Club has three skill levels of wrestling participation (Novice, Junior Varsity & Varsity) to allow your child to participate at a level that is safe, competitive, and fun. At _____ club, we reward your child's efforts and not his/her victories. Help us teach your child to enjoy wrestling while learning the fundamentals and art of wrestling. Your child's hard work and self-motivation will follow in time. Parents, fans, and coaches who follow this simple code can help reinforce what wrestling is all about... HARD WORK AND FUN FOR EVERYONE!

Preamble

The essential elements of character building and ethics in sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and positive citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character."

As a parent or spectator:

1. I will not force my child to participate in wrestling.
2. I will remember that children participate to have fun and that wrestling is for the youth, not adults.
3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
4. I will learn the rules of wrestling and the policies/expectations of _____ Club.
5. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all wrestlers, coaches, officials and spectators at every dual, tournament, practice or other sporting event.
6. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, wrestler, parent or spectator such as booing and taunting; verbal and physical threats; refusing to shake hands; or using profane language or gestures.
7. I will not encourage any behaviors or practices that would endanger the health and or well being of the athletes.
8. I will teach my child to wrestle by the rules and to resolve conflicts without resorting to hostility or violence.
9. I will demand that my child treat other wrestlers, coaches, officials, parents and spectators with respect regardless of race, creed, color, sex or ability.
10. I (and my guests) will treat other wrestlers, coaches, officials, parents and spectators with respect regardless of race, creed, color, sex or ability.
11. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of a match, tournament finish, or his/her performance.
12. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.
13. I will never ridicule or yell at my child or other participant for making a mistake or losing a competition.
14. I will emphasize skill development and practices and how they benefit my child over winning. I will also de-emphasize excessive wrestling and competition in the novice age group.
15. I will promote the emotional and physical well being of the athletes ahead of any personal desire I may have for my child to win.
16. I will respect the coaches and officials and their authority during wrestling matches and will never question, discuss, or confront coaches at a dual or tournament, and will take time to speak with coaches at an agreed upon time and place.
17. I will respect the coaches, officials of _____ Club and their authority during practices and will never disrupt practice or encourage unsafe/unhealthy training for any child, and will take time to speak with coaches before or after practice at an agreed upon time and place.

18. I will respect everyone's right to health practice environment and will not remove my child from practice due to his/her performance and I will let coaches know prior to practice if my child cannot attend or will need to leave practice early.

19. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol and I will refrain from their use at all sports events.

20. I will refrain from coaching my child or other players during meets and practices, unless I am one of the official coaches or official parent helpers (coach in training) of _____ Club.
